

The school district boundary displayed on this map was created as a result of a boundary review conducted prior to the 2000 and 2004 censuses. The Michigan Center for Geographic Information (MCGI), the Michigan Center for Geographic Information (MCGI), and the U.S. Census Bureau, in cooperation with each school district and intermediate school district (ISD) in Michigan, conducted the boundary review. Boundaries shown by the districts were verified and all the school districts' boundary maps or maps not have participated.
